## OUTHOUSE

A bee house/hive was placed on the south wall.

## BUNKHOUSE

The bunkhouse is about 85% complete.

## SIGN

## SKIDSTEER

Used Skips skid steer a lot on the site. It has saved the site a lot of money.

Thank you, Skip, for the use of it.

## MOWING THE GRASS.

11.5 miles of grass is mowed plus the trimming each time it is mowed.

Some areas were filled in to level it for mowing.
